NCIC GREEN™

Authorized by the State of NJ

ATTENTION:

Police Chiefs / T.A.C. Officers / Police Administrators
Go paperless & start saving budget money now!!!
LawSoft is the original and leader in this technology!

Over 60 agencies across NJ are saving \$\$\$ with NCIC GREEN™

NCIC GREEN™ eliminates the need for continuous NCIC / CJIS message printing and instead redirects messages to a searchable database application personnel will read and acknowledge unless printing is actually needed. "Audit Tools" show when messages were read and by whom. "Priority Alerts" automatically open the priority message and sound alerts ensure that messages are read immediately!

Provides all workstations the ability to view CJIS messages!

Priority message alerts and message separation on multiple workstations!

Stop Shredding!

Stop Printing!

Stop Wasting Money!
