

Never Miss a Hit Confirmation Again!

LawSoft NCIC GREEN™

- The #1 NCIC/CJIS Messaging software in NJ, over 80 agencies installed
- The original paperless NCIC/CJIS teletype messaging software
- Departments are saving thousands in paper and toner, year after year
- Provides detailed audits of all NCIC/CJIS messages received

Lets Compare to our Competitors:

NCIC GREEN™

- Priority message pop-ups until message is acknowledged
- Different sound tones depending on message type
- Separate and secure administrative audit application
- Free installation and 1st year of maintenance
- No need to monitor messages constantly with our unique alert system
- Lower price and lower annual maintenance
- NCIC GREEN does what competitors claim plus more!
